### Charles Gounod: Requiem en ut majeur conducteur | Carus-Verlag

[308 PDF + 252 MP3 + 26 MIDI] - Charles-François Gounod (IPA: [ɡuno]; 17 June 1818 ? 18 October 1893) was a French composer, best known for his Ave Maria as well as his operas Faust and Roméo et Juliette. Gounod was born in Paris, the son of a pianist mother and a draftsman father. His mother was his first piano teacher. Under her tutelage, Gounod first showed his musical talents. He ...

De Gounod, qui fut l'une des gloires musicales les plus sûres du Second Empire et de la Troisième République, que reste-t-il aujourd'hui ? Faust, naturellement, malgré les critiques dont on l'a accablé, mais surtout à cause de ses beautés. Roméo et Juliette aussi et Mireille. Quelques mélodies encore : Venise, Le Soir, Sérénade, Ô ma belle rebelle... Tout bien considéré, la Messe de sainte Cécile n'est pas oubliée tout à fait, ni le Requiem, et la Petite symphonie reste une aubaine pour les ensembles d'instruments à vents. S'avise-t-on pourtant de reprendre Le Médecin malgré lui, Sapho, La Colombe, ou Mors et Vita ? On est surpris d'y découvrir une fraîcheur d'expression, une pureté d'écriture inattendues et surtout un style, un ton résolument personnels. Le rejet de Gounod ou, plutôt, la rage à le dévaluer, a fait suite à un immense succès qui ne concernait qu'une partie de sa production, car sa popularité ne signifiait pas que son message artistique ait été vraiment reçu. Il est temps qu'on y revienne, avec d'autres critères et dans une perspective différente. La musique sacrée et la mélodie étaient ses domaines d'élection. Selon Ravel « le véritable instaurateur de la mélodie en France a été Charles Gounod [...] qui a retrouvé le secret d'une sensualité harmonique perdue depuis les clavecinistes des XVIIe et XVIIIe siècle ». Et peu de musiciens, depuis Bach, auront si intimement lié inspiration musicale et théologie. Après un portrait de Gounod par ceux qui l'ont connu, la partie biographique de ce livre, Au fil des jours, s'est nourrie de l'examen critique de l'ensemble des sources disponibles comme de la correspondance. La présentation des œuvres, qui forme la partie la plus importante du livre, embrasse toute la production de Gounod dont le catalogue, (presque) complet, compte désormais plus de 600 entrées. Sans négliger les partitions les plus connues, une attention particulière a été accordée à celles qu'on a plus rarement l'occasion d'entendre (messes, motets, pièces de circonstances, pages inédites ou inachevées) mais qui ont leur place, parfois essentielle, dans sa trajectoire créatrice et dans l'histoire de son temps. Gérard Condé se partage entre la composition lyrique et des recherches sur le XIXe siècle français.

Charles François Gounod: A Research and Information Guide is an annotated bibliography concerning both

the nature of primary sources related to the composer and the scope and significance of the secondary sources which deal with him and his compositions.

First Published in 1995. Routledge is an imprint of Taylor & Francis, an informa company.

First Published in 1995. This series comprises nearly 300 romances and melodies, most of which were composed during the 40 years that saw a blossoming of the romantic spirit in all the arts in France. It brings together some of the most attractive pieces by the best songwriters of the period, and in so doing provides an overview of the development of nineteenth-century French song before Faure, Duparc, and Debussy

Since its emergence in sixteenth-century Germany, the magician Faust's quest has become one of the most profound themes in Western history. Though variants are found across all media, few adaptations have met with greater acclaim than in music. Bringing together more than two dozen authors in a foundational volume, *The Oxford Handbook of Faust in Music* testifies to the spectacular impact the Faust theme has exerted over the centuries. The Handbook's three-part organization enables readers to follow the evolution of Faust in music across time and stylistic periods. Part I explores symphonic, choral, chamber, and solo Faust works by composers from Beethoven to Schnittke. Part II discusses the range of Faustian operas, and Part III examines Faust's presence in ballet and musical theater. Illustrating the interdisciplinary relationships between music and literature and the fascinating tapestry of intertextual relationships among the works of Faustian music themselves, the volume suggests that rather than merely retelling the story of Faust, these musical compositions contribute significant insights on the tale and its unrivalled cultural impact.
