This is a great book for early Sesame Street fans who are just learning the characters. The colorful pages and tabs are great visual reminders of which name goes with which monster. The cover is puffy, so that's nice for little kids to touch. I got this for my 2-year-old and he gets a kick out of it.

Everybody on Sesame Street is friends with everyone else. Elmo, Grover, Big Bird, Zoe, Abby, Cookie Monster, Bert, and Ernie laugh, play, and celebrate together. Whether it's two, three, or four pals sharing, in the end, everyone on this street is part of one big circle of friends. Sturdy board pages are perfect for a book that toddlers will come back to again and again for a visit with THEIR Sesame Street friends.

Elmo and his pet fish, Dorothy, are the greatest of friends. Elmo takes care of her and introduces her to his other friends, including Zoe, Bert, Ernie, Big Bird, and Cookie Monster. Elmo talks to Dorothy all the time. And-glug-glug-she answers Elmo in "fish-talk"! Scattered throughout the story are descriptions of how friends help each other: they keep each other company, share new experiences, cheer each other up, take care of each other, and much more. Toddlers will be familiar with Dorothy the goldfish from the "Elmo's World" segments on Sesame Street.
